64996A-1FP	Keysight Spectrum Visualizer, fixed perpetual license	1

### INSTRUCTIONS:

#### HOW TO REDEEM YOUR LICENSE

- Download and install software
  - Some new oscilloscope licensed products require the latest software in order to operate.
  - The latest software can be downloaded for your respective product at <http://www.keysight.com/find/scope-apps-sw>

- Log into Keysight's licensing website at [www.keysight.com/find/softwaremanager](http://www.keysight.com/find/softwaremanager) to redeem your license.  
You will need the following information:
  - Keysight Order Number and Keysight Certificate Number from the top of this certificate
  - Host ID (Instructions will be provided during the redemption process in the licensing website).

If your Infiniium Oscilloscope software is version 5.00 (or greater),  
access Infiniium's Help->About or the Keysight License Manager to find your Host ID. (e.g. PCSERNO,WJ59653929)

If your Infiniium Oscilloscope software is version 4.XX (or lesser),  
access Infiniium's Help->About to find your Option ID. (e.g. 1604AMY12345678)

For technical and sales support, visit [www.keysight.com/find/contactus](http://www.keysight.com/find/contactus)

**Rights and restrictions on the use, transfer, and copying of the Software are set forth in Keysight Technologies' Software License agreement.**
