## Kodak Digital Science™ Writable CD media

# INFOGUARD™

## PROTECTION SYSTEM

- Store up to 682 MB with 74 minute media.
- Compatible with all leading CD writers and CD readers.
- Kodak CD-R media with Infoguard™ protection system offers five advantages you won't find together on any other media:
  - **Stable dye.** The media contains a carefully selected dye recording layer that protects against the effects of light, humidity, and temperature, ensuring long data life of 100 years or more.
  - **Gold layer.** Each disc has a real gold reflectance layer that is unaffected by oxygen, moisture, and solvents.
  - **Durable Overcoat.** The media contains a rugged overcoat that resists scratches, fingerprinting and other common mishaps, ensuring tremendous durability.
  - **Individual Serial Number.** Each disc comes with a unique serial number, providing a method for disc identification and tracking.
  - **Recording Speed.** Discs are fully functional at recording speeds from 1X (150 KB/sec) - 6X (900 KB/sec) for maximum recording flexibility.
