## INVENTEC USA NOTIFICATION REGARDING COUNTERFEIT PRODUCT

Dear valued customers:

With current chemical & component shortages, electronics assembly is witnessing a surge in counterfeit components, materials, and parts. As a leading manufacturer for high performance electronic materials, Inventec Performance Chemicals has not been spared from unlawful and unauthorized substitution\* and replication. This is particularly true for the Amtech brand of fluxes and solders acquired by Inventec in 2014.

Inventec is continually developing an extensive product range that are tested and validated according to standards and norm to deliver high quality, high performance products. We do this with a commitment to delivering high environmental value and return on investment to our customers.

To avoid buying or using counterfeit fluxes, solders, coatings or cleaning solutions, we strongly recommend you source genuine products from Inventec subsidiaries and/or authorized distributors & resellers. **The website and contact information for these approved vendors, listed below, can be found on our website at [www.inventecusa.com](http://www.inventecusa.com):**

### Distributors & Resellers:

- Ceiba (USA)
- Electronic Production Tool & Supply Inc (USA)
- Hisco (USA)
- Suba Engineering Pty Ltd (Australia)
- TestEquity (USA)
- Powell Industries (USA)
- Rossmann Group (USA)
- PEP-CD (UK)
- Alfatec (Brazil)
- Electro-tools (Argentina)

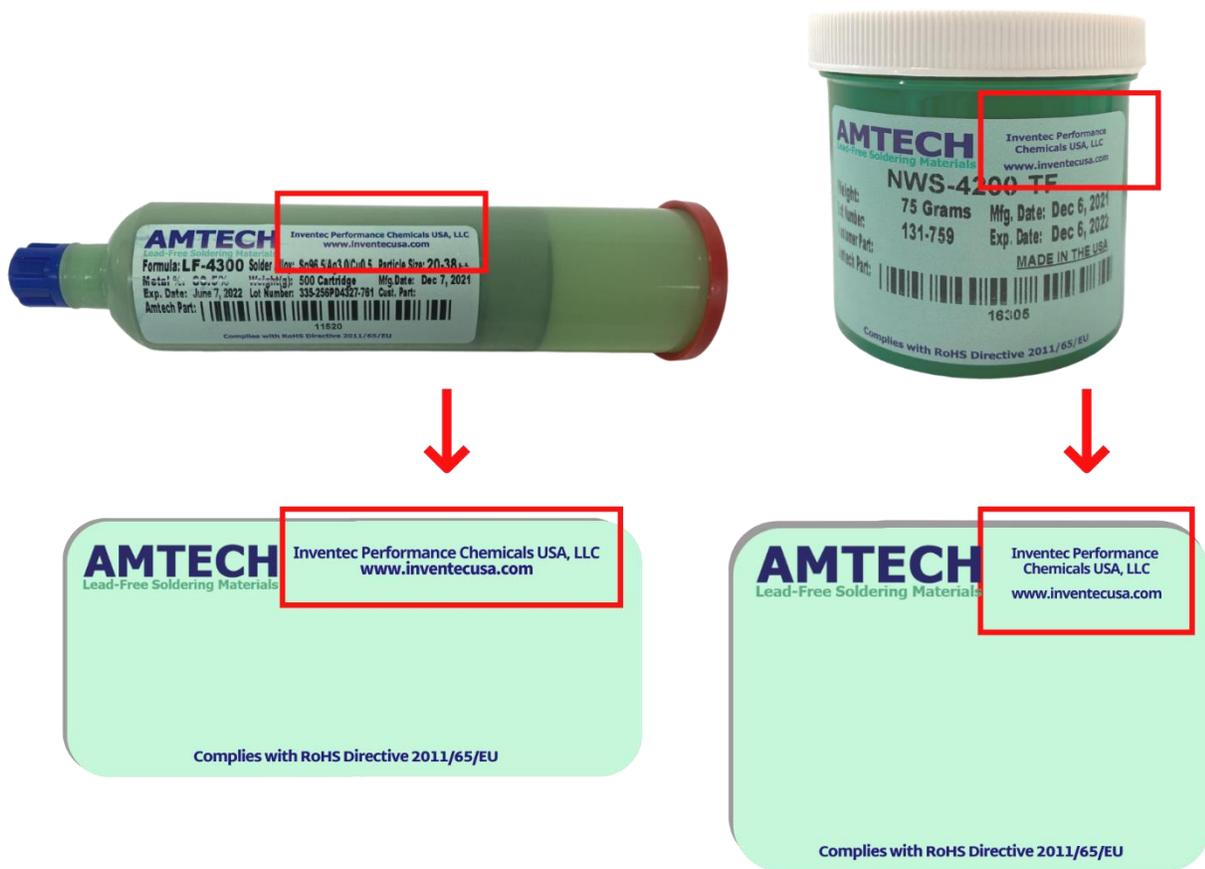

### Inventec Subsidiaries:

- Inventec Performance South East Asia Sdn Bhd (Malaysia & South East Asia)
- Inventec Performance Chemicals (Shanghai) Co., Ltd (China)
- Inventec Performance Chemicals (France)
- Inventec Performance Chemicals Mexico (Mexico & South America)

Since September 18<sup>th</sup>, 2021, the distribution agreement with the platform <https://amtechdirect.com> has ended. ***You could not find any more Products manufactured by Inventec USA on that platform.***

If you have any concerns, please email your product name and lot number to [buygenuine@inventec.dehon.com](mailto:buygenuine@inventec.dehon.com) and a member of the Inventec Sales Team will confirm the authenticity of your product. You can also make a request through our website.

An easy way to identify genuine solder paste & flux products from Inventec USA ( Owner of Amtech’s trademark, acquired in 2014) is to look at the labels and to make sure they mention “ Inventec Performance Chemicals USA, LLC” on their upper right side.

Any additional questions or comments can be emailed to [customerservice\\_us@inventec.dehon.com](mailto:customerservice_us@inventec.dehon.com).

Regards,

Leo Ibarra  
Americas Sales Director
